CARECEN is a non-profit organization established in 1985. CARECEN seeks to empower and respond to the needs, rights, and aspirations of underserved communities by providing health, legal and educational services to the Latino and immigrant population of the Bay Area. CARECEN works for social and economic justice through grassroots immigrant community empowerment. CARECEN offers legal/immigration, tattoo removal/violence prevention, obesity prevention, promotoras de salud, parent leadership development, and family wellness case management/family advocacy services.

**CASE MANAGER**

The case manager will work as a team member of the Second Chance Youth Program and Tattoo Removal Clinic. Under the immediate supervision of the Program Director, the case manager is responsible for providing intensive strength-based case management to Latino immigrant youth between the ages of 12-25 who are at-risk or in-risk of experiencing violence. The Case Manager will conduct outreach, intakes and risk assessments; and with the client, develop and implement an individualized service plan (ISP) designed to promote personal empowerment and self-sufficiency as well as staff Tattoo Removal Clinic.

**JOB DESCRIPTION:**

The duties of a case manager include, but are not limited to the following:

- Develop detailed outreach work plan with supervising staff that targets at-risk and in-risk Latino immigrant youth between the ages of 12-25 years
- Perform comprehensive intake and assessments of the service needs of youth with a history of poor health outcomes and in-risk behavior as a result of great health inequities, poverty, low-educational attainment and potential gang affiliation, intimate partner violence, and/or street violence
- Provide direct assistance to youth, appropriate to their age and needs, including but not limited to:
  - Referrals and assistance in accessing direct social/health services
  - Enrollment in educational institutions, academic and afterschool support programs
  - Referrals to training and job placement centers
  - Engagement and communication with participants’ parents/guardians
- Maintain participants’ files through regular progress notes and follow-up contact entries
- Attend CARECEN staff meetings once a month and regular case consultations meetings
- Meet with clinical practice specialist on a monthly basis to review progress and objectives of youth’s workplan
- Write monthly reports and enter CMS data weekly
- Work with collaborative partners for outreach, referrals, safe transportation and safe-passage of youth participants
- Provide culturally competent services (linguistically, cultural and generational)
- Conduct community outreach and public education through presentations at high schools, the Youth Justice Center, community fairs, etc.
- Participate in public advocacy, civic involvement and organizing efforts
- Other duties as assigned by supervisor
QUALIFICATIONS:

- BA/BS in Social Work or related field or a minimum of 5 years professional experience
- Have a minimum of 2 years of case management experience
- Extensive experience working with in-risk and/or at-risk system involved youth
- Bicultural/Bilingual (fluent in both English and Spanish)
- Ability to work independently, as well as part of a team
- Knowledge of the criminal justice system, specifically the Juvenile Probation Department, SFUSD, and other governmental service programs
- Strong written and verbal communication skills
- Sensibility and empathy to youth and their emotional needs
- Ability to work Tuesday evenings and some weekends
- Experience with group facilitation and strong public speaking skills
