

**Applications Due March 22, 2019**

# SF BUILD

## Aspiring Physicians Program

### ABOUT

- SF BUILDAPP is a project of the UCSF Latinx Center of Excellence and builds upon the existing collaboration between SFSU and UCSF
- SFBUILD APP program is a premedical wrap-around program for Latinx students that leverages the existing infrastructure from SF BUILD to support the entry of SFSU Latinx undergraduate students into medical school
- SF BUILDAPP is jointly funded by HRSA and UCSF School of Medicine

### PROVIDES

- Mentorship, advising and clinical volunteer opportunities.
- Summer intensive workshops, including MCAT prep and training in policy brief writing
- Paid summer stipends for 8 students
- Networking, community building, and professional development

### ELIGIBILITY

- Current full-time Latinx undergraduate student at San Francisco State University
- Interested in a career in medicine
- Anticipate graduating no later than August 2020, and able to participate in the program for minimum of 1 academic year and 1 summer program
- Minimum cumulative GPA 3.0
- Completed 1 year of biology and 2 years of chemistry (or in progress)
