

Clinical Research Coordinators: Learners for Equity (CIRCLE) TRAINING PROGRAM

**A PROGRAM FOR SENIORS, POST-BACS,
AND GRAD STUDENTS**

"All the skills learned in this program will help me in my professional endeavors"

Applications due: April 15, 2023

To apply, visit: <https://redcap.link/CIRCLE-2023>

"I learned so much about what it means to be a CRC, and it made me more excited to become a CRC to learn and grow."

ABOUT

- SFBUILD is funded by the National Institutes of Health
- SFSU leads SFBUILD in a partnership with UCSF
- CIRCLE prepares diverse individuals to work in health research as a Clinical Research Coordinator (CRC)
- Educational period includes discussions, shadowing CRCs at UCSF, and application preparation for a position in research

PROVIDES

- Supports students' transition to clinical research jobs
- Talks and practice on roles and responsibilities of a CRC with shadowing experience
- Job application, interview and financial support
- Certificate of Completion for resumes
- Networking, mentorship, and community building

WHO CAN APPLY?

- SFSU: Graduating senior, recent grad or currently enrolled in a master's program
- Can attend the training program from 7/31 - 8/11
- Commit to completing 20 hours of shadowing by end of December, 2023
- Has interest in research and/or addressing health equity
